

# Anecdotal Records

- These are notes about student knowledge, skills, and behaviors. The teacher makes notes indicating what she observes and then uses the notes to determine the focus of the learning opportunities.

April 8, 2022

- *I noticed that Amanda seems to be very adept at using WeVideo. She was able to incorporate visual and sound effects when other students were lucky to get their main recording. She also included an intro that blew my socks off. When I asked her how she got so good at these she told me she has been making Tik Tok videos for the past year and has been learning there.*
