

YESTERDAY

What are things you have done in the past in the classroom that would lend itself to more student choice?

1

2

TODAY

If you walked into your classroom today, what is the first thing you could do to provide students with more choice?

3

4

After letting this all soak in, what might tomorrow look like in your classroom? What changes would you make?

TOMORROW

How do you see your classroom looking a year from now in regard to student choice? What looks different?

NEXT YEAR
