

# Self-Evaluations

- . This asks students to assess themselves. Although you can use a self-evaluation for content, you can also use them for skills because this helps students to develop a self-awareness about their abilities.

1. On a scale from 1-5, 5 being expert level, how would you rate your ability to find information you need on the internet?
2. On a scale from 1-5, how comfortable are you in taking notes on the information that you find?
3. On a scale from 1-5, how do you rate your ability to tell a reputable source from one that is not as reputable?
4. On a scale from 1-5, how skilled are you at offering analysis of the research you plan to use?
5. On a scale from 1-5, how well do you find information from multiple sources that bring in different perspectives on the topic?
